AMERICAN ANTHROPOLOGIST

NEW SERIES

The AMERICAN ANTHROPOLOGIST (NEW SERIES) is published quarterly each number averaging at least 136 octavo pages, with illustrations.

The Committee on Publication have undertaken, individually and collectively, to carry out the purpose of the journal and to render it representative of the Science of Anthropology, and especially of Anthropology in America. The journal is conducted under the auspices of the AMERICAN ANTHROPOLOGICAL ASSOCIATION, and it is the organ also of the ANTHROPOLOGICAL SOCIETY OF WASHINGTON and of the AMERICAN ETHNOLOGICAL SOCIETY of New York.

The editors aim to make the journal a medium of communication between students of all branches of Anthropology. Its contents embrace (1) high-grade papers pertaining to all parts of the domain of Anthropology, the technical papers being limited in number and length; (2) briefer contributions on anthropologic subjects, including discussion and correspondence; (3) minor notes and news. The book reviews and reviews of periodical anthropological literature formerly appearing in the AMERICAN ANTHROPOLOGIST are now published exclusively in CURRENT ANTHROPOLOGICAL LITERATURE issued quarterly under the auspices of the American Anthropological Association and the American Folk-Lore Society.

The Committee on Publication earnestly invite the coöperation of all students of Anthropology. Although contributions submitted for publication are reviewed, so far as possible, by members of the Committee, the contributors of accepted articles are alone responsible for opinions expressed.

The purpose of the AMERICAN ANTHROPOLOGIST is to disseminate as widely as practicable, for the use of scholars and students, the results of anthropologic investigations. In cases in which the material from the ANTHROPOLOGIST can be utilized to advantage in connection with anthropologic work, the Committee will be prepared, unless there may be special reasons to the contrary, to give permission for the use of such material.

All contributions to the magazine and all correspondence of an editorial nature should be addressed to the Editor, Mr F. W. HODGE, Smithsonian Institution, Washington, D. C.

Correspondence pertaining to subscriptions should be addressed to Mr B. TALBOT B. HYDE, Treasurer of the American Anthropological Association, 11 Broadway, New York City, N. Y.
